Doctoral School

**Online Recruitment System (IRK) – guideline for candidates to the Doctoral School**

REGISRATION STAGES

**1** Account in the IRK system

- Go to https://irk.pw.edu.pl/en-gb/
- Create an account
- Activate the account
- Log in
- Choose a Registration

2 Personal forms
- Complete basic personal data
- Complete address and contact information
- Add photo
- Complete education data

3 Enrollment application
- Go to Offer – Doctoral School
- Choose a discipline and Sign up

4 Additional information

- Complete the section *Competences*
- Complete the section *Knowledge of English*
- Complete the section *Individual recognition statement*
- Realize the payment
- Complete the section *Prospective research topic and the acceptance of the supervisor*
- Download documents from the section *Documents and further steps*
- Upload completed documents in the section *Scans of signed documents*

5 Qualification status

After the substantive assessment, the Grading Committee sets the qualification status

not qualified

The end of the procedure
qualified

- Complete the section *Declaration on the selection of the Doctoral School - qualified*
- Complete the section *Scans of signed documents - qualified*

OFFER

1. After logged in, go to „Enrollment applications"

2. „Go to the offer"

3. Choose the registration to the Doctoral School

Note!
At this stage you will not be able to select a discipline, as the required data is not complete.
First, go to „my account" in order to fill out the required forms.

Doctoral school - recruitment for the winter semester 2022/2023

↻ switch registrations ✖ cancel selection

The offer displayed on this page is limited to the selected registration. If you want to see the rest of the offer, select a different registration.

🏠 → Offer → Biomedical engineering → Biomedical engineering

Biomedical engineering

The Grading Committee calculates the grade basing on the scale from 0 to 10 (with 0.1 accuracy) according to the following formula:

$$grade = 0{,}3 * K + 0{,}2 * O + 0{,}5 * R$$

K, O, R – points from the scope of 0 to 10 (with 0.1 accuracy), K – prospective research topic, O – scientific and professional achievements, R – interview. When R < 5, grade = 0.

Basic personal data

While typing your personal data, remember that if you're enrolled, your data will be uploaded to university systems and printed on university issued documents. In Polish, proper names (such as first names, surnames, city names) are written with a capital letter. Only the first letter should be capital, not all of them. Do not enter Cyrillic or Chinese characters, use Latin transcription instead. If you have double surname, there should be no spaces around the hyphen. For example: Janina Maria Nowak-Kowalewska.

Architecture and urban planning

The Grading Committee calculates the grade basing on the scale from 0 to 10 (with 0.1 accuracy) according to the following formula:

grade = 0,3 * K + 0,2 * O + 0,5 * R

K, O, R – points from the scope of 0 to 10 (with 0.1 accuracy), K – prospective research topic, O – scientific and professional achievements, R – interview. When R < 5, grade = 0.

[SD-KD-2022Z] Doctoral school - recruitment for the winter semester 2022/2023 (open)

1. After completing all the required sections, the ✔ symbol should appear
2. After the payment is registered, it will be shown as paid
3. You will be invited for an interview only after submitting all the required documents
4. In case of failure to submit the required documents, the qualification status will change to:

Qualification status
❌ not qualified

In such a case, you will not be invited for an interview.

Candidates who go through a substantive assessment positively will be invited for an interview.

After the interview, the status will change to:

QUALIFIED – if you reach the required score

NOT QUALIFIED – if you do not reach the required score

If you are QUALIFIED complete the two additional sections.
In case of failure to do so, you will not be placed on the list of admitted.
